ORDER

Following the construction of new facilities for the United States Marshal and the renovation of the remainder of the United States Courthouse at the Dublin Division from 2001-2003, the Court, its staff, the United States Attorney and the United States Marshal have, as necessary, utilized the secure automobile parking area within the perimeter fence at the Dublin Courthouse.

Recent confrontations have had the undesirable potential consequence of delaying or defeating the fundamental purpose of the perimeter fence and the electrically operated access control gates, that is, to enhance the physical security of the facility for all occupants, notably those judges, court staff, officers and officials of the Department of Justice, and prisoner transport personnel engaged in furthering or conducting court proceedings.
